

PARENTS' EVENING · JANUARY INTAKE

Open Door Learning

Twelve slides. Twenty minutes. Questions after,
and the handout has everything I skip.

WHY WE EXIST

**One in four children here
leaves primary school
below the reading
standard.**

That is the whole reason for the after-school programme. Nothing we do makes sense without that number.

Presenter note: pause here. Let the number sit. 40 seconds.

WHAT IT LOOKS LIKE

**Ninety minutes, four days
a week, eight children to
one adult.**

Element	Detail
Session length	90 minutes
Ratio	1 adult : 8 children
Days	Mon–Thu, 4pm–5:30pm
Cost per term	£ 48,000

THE HONEST BIT

We cannot promise it works for your child.

Most children gain confidence before they gain marks, and some gain neither. We review each child at the end of the first term and tell you plainly if we don't think we're the right fit.

SAFEGUARDING

Every adult DBS-checked. Two adults in the building at all times. No exceptions.

The full policy is in the handout, page two, including how to raise a concern and who it goes to if the concern is about me.

THE YEAR

**Term dates, so you can
check them against your
diary now.**

Term	Starts	Ends
Spring	12 Jan	27 Mar
Summer	20 Apr	10 Jul
Autumn	15 Sep	12 Dec

WHAT IT COSTS

¥48,000

per term, per child. Payment plans over three months, no interest, no admin fee.

Eight reduced places per term, decided by a short form rather than an interview. Ask me tonight if that's you — nobody else needs to know.

NEXT STEP

Applications close 20 December.

Forms are on the table by the door. You can also just tell me tonight and I'll email it to you.
